# Santa!!

Original  
Santa

Replacement  
Santa

Current  
Santa

After several years of gracing the front of the Chamber, Santa got tired and took a dive off the building last winter. We missed him so we set out to have him rebuilt. The Cattaraugus-Allegany BOCES Center in Belmont stepped up and offered to construct a new Santa for us. The Wellsville High School Art Class offered to paint him. And Fassett Lane Lumber donated some of the supplies. We hope to have him available and installed to bring Christmas cheer to Main Street this holiday season.

Donations for the Santa Restoration are being accepted by the Wellsville Area Chamber of Commerce.
