June Board Member Spotlight

Board Member Spotlight: Kera Mariotti
Wellsville Area Chamber of Commerce – June 2026

The Wellsville Area Chamber of Commerce is proud to spotlight Board Member Kera Mariotti, President of Mariotti Surveying & Engineering, PC. Kera joined the Chamber Board in January and brings a passion for community involvement and local business growth.

Originally moving to the Wellsville area in 1997 after getting married, Kera has built both her professional career and community connections here. Her decision to serve on the Chamber Board was inspired by seeing others actively engaged in Chamber activities and wanting to contribute her own time and talents to support the organization's mission.

Kera believes the Chamber plays a vital role in strengthening the local business community by promoting Wellsville and the surrounding area in ways that individual businesses could not accomplish on their own. Through advocacy, events, and collaboration, the Chamber helps showcase everything that makes our community special.

When it comes to Chamber events, Kera is a fan of many of the organization's signature celebrations, including the Main Street Festival, Brewfest, Wine Walk, and the community's beloved Christmas festivities.

For Kera, community means more than a place. It's a network of people who support one another.

"Community is your chosen family that supports each other."

We are grateful for Kera's leadership, enthusiasm, and commitment to helping Wellsville continue to thrive. Thank you, Kera, for your service to the Chamber and our community!
